

STEPHEN E. GOODMAN | PARTNER

Commercial Real Estate, Corporate Law, Mergers and Acquisitions

Steve concentrates his practice on securities law, mergers and acquisitions, and general business counselling.

He has assisted start-ups with organization, including choice of entity, fundraising and other financing options, incentives, operational matters, and various legal structures.

Steve has worked with businesses in many industries, including manufacturing, distributors, service, banking, finance, logistics, communications, medical, and software. He has also worked with clients developing and implementing succession plans, and has served as outside "general counsel" to a number of companies.
